Catch and Release

Alphas

Part of me
Want to live in a fantasy
Quietly
Show you everything you?ll ever need
I hope you?ll take it
I know you?re faking just a little bit
Come on and taste it
Just get excited cuz you?re giving in
Come and see
How the wind in your hair will feel differently
Catch and release
The lure above
Who?
Here we are
In the bathwater overflow
Later on
Don?t say I didn?t tell you so
Maybe I didn?t but you?re taking it
Knew you were faking just a little bit
Now that you?ll taste it
No need to fight it cuz you?re giving in
Follow me
Down the streams of sweat on your body

Can?t believe
The lure was enough
Do you see?
How the wind in your hair now feels differently
Catch and release
The lure above
Who knows?
How this feeling grows?
Was it truly worth ?
Truly worth the starting
Who knows?
Why the engine?s blown
Hope it's truly worth ?
Truly worth the parting
Follow me

Down the streams of sweat on your body
Can?t believe
The lure was enough
Do you see?
How the wind in your hair now feels differently
Catch and release the lure above
Guess the lure was enough
Yes the lure was enough
Yes the lure was enough
