Prince Of Love (acapella)

Dj Sammy

Can you tell me where you are?
I'm searching you, but I can't find you - nowhere.
When I look up to the sky.
The moon is telling me,

One day you will be mine.
So just send me, a heavenly sign of love
No don't worry, I'll receive it from above.
You just send me, you're heavenly sign of love.
I wait all over, until you be my Prince of Love.
