

# It's a Man's Man's Man's World

**James Brown**

This is a man's world, this is a man's world  
But it wouldn't be nothing, nothing without a woman or a girlYou see, man made the cars to take us over the road  
Man made the train to carry the heavy load  
Man made electric light to take us out of the dark  
Man made the boat for the water, like Noah made the arkThis is a man's, man's, man's world  
But it wouldn't be nothing, nothing without a woman or a girlMan thinks about our little bitty baby girls and our baby boys  
Man made them happy, 'cause man made them toys  
And after man make everything, everything he can  
You know that man makes money, to buy from other man
