Lilac wine

Barb Jungr

Lilac wine is sweet and heady, like my love
Lilac wine, I feel unsteady, like my love
Listen to me, I cannot see clearly
Isn't that he coming to me nearly?
Lilac wine is sweet and heady, where's my love?
Lilac wine, I feel unsteady, where's my love?
Listen to me, why is everything so hazy?
Isn't that he, or am I going crazy?
Lilac wine, I feel unready for my love
Feel unready for my love
