

# Lilac wine

**Barb Jungr**

Lilac wine is sweet and heady, like my love  
Lilac wine, I feel unsteady, like my love  
    Listen to me, I cannot see clearly  
    Isn't that he coming to me nearly?  
Lilac wine is sweet and heady, where's my love?  
Lilac wine, I feel unsteady, where's my love?  
    Listen to me, why is everything so hazy?  
    Isn't that he, or am I going crazy?  
Lilac wine, I feel unready for my love  
    Feel unready for my love
