

# Womb

## Single Mothers

Miscalculated the chances  
Got attracted by all these distractions  
Went down and decided to live in the fractions  
Built a life of splinters just to abandon it  
Rock & Roll's a sacrifice  
So I let you take my body and I threw away my life  
And I'm falling apart as I'm falling behind  
Living within the width of the womb  
From the front of the stage  
To the back of the room
