Twisted

Fedde le Grand

Your mind is twisted
How can I resist it
Your mind is twisted
How can I resist it
Your mind is twisted
How can I resist it
Your mind is twisted
How can I resist it
Your mind is twisted
How can I resist it

Your mind is twisted
Your mind is twisted
Your mind is twisted
Your mind is twisted
Your mind is twisted
Your mind is twisted
Your mind is twisted
How can I resist it

Your mind is twisted

Your mind is twisted
Your mind is twisted
Your mind is twisted
How can I resist it

Your mind is twisted
How can I resist it
Your mind is twisted
How can I resist it
Your mind is twisted
How can I resist it
Your mind is twisted
How can I resist it

Your mind is twisted
Your mind is twisted
Your mind is twisted
Your mind is twisted

Your mind is twisted
Your mind is twisted
Your mind is twisted
How can I resist it

Your mind is twisted
How can I resist it
