

# Twisted

## Fedde le Grand

Your mind is twisted  
How can I resist it  
Your mind is twisted  
How can I resist it  
Your mind is twisted  
How can I resist it  
Your mind is twisted  
How can I resist it  
Your mind is twisted  
How can I resist it

Your mind is twisted  
Your mind is twisted  
Your mind is twisted  
Your mind is twisted  
Your mind is twisted  
Your mind is twisted  
Your mind is twisted  
How can I resist it

Your mind is twisted

Your mind is twisted  
Your mind is twisted  
Your mind is twisted  
How can I resist it

Your mind is twisted  
How can I resist it  
Your mind is twisted  
How can I resist it  
Your mind is twisted  
How can I resist it  
Your mind is twisted  
How can I resist it

Your mind is twisted  
Your mind is twisted  
Your mind is twisted  
Your mind is twisted

Your mind is twisted  
Your mind is twisted  
Your mind is twisted  
How can I resist it

Your mind is twisted  
How can I resist it
