Cam'ron

killa, killa, killa, killa, killa, killa dog,

Cause money mean the world to me
I'm a shine for the world to see
Pearl the V twirl the key cock back kick
back and twirl the weed

Hot one done pop one scrub not one
want to ride shotgun want to shoot shot guns
and i got hot one's
But i want to chick that'll hop up on a stick
Wit a porno flick
(Uh) Make sure my comes go on a lick
More to sip but screw that
Where my thugs with the hollow tips
Girls that acknowledge it

Got red rye my man ride my fam tide
So i need a real chick
Someone to keep it real wit
Someone to rob and steal wit

But you always good for now and plus no friends around
So girl jus come lift up that dress for now
And give me some points for now talk to me ma What means the world to you my money, my doe, my hoes, my

What means the world to you my money, my doe, my hair, my nails
What means the world to you some sex, some mex, and a little bit of head rah
What means the world to you to sex is sweet wit a cat who eat
