The Persevering Promise

I CAN NEVER WALK AWAY, until you take off these chains
I CAN NEVER WIN YOUR GAME, until you teach me how to play
I canâ€™t decipher what you say with riddles lining every phrase
So today, ill find a way to fly away!

Today you showed me your colors, YOUR LIES, SAD BUT TRUE
You faced me, erased me, YOU HAD MY WORLD RULED
And when you find your regret, you can have my respect, faded time to reflect

YOU SAID YOU LOVED ME EVERYDAY! I was a fool to believe
YOU ONLY USED ME FOR YOUR GAIN! The rose decayed and turned away
You set the world ablaze while leaving me to take the blame, Iâ€™m framed
Disgrace my name and taste the pain. DISGRACE MY NAME AND TASTE THE PAIN

Today you showed me your colors, YOUR LIES, SAD BUT TRUE
You faced me, erased me, YOU HAD MY WORLD RULED
And when you find your regret, you can have my respect, faded time to reflect
Today you showed me your colors SO FAKE JUST LIKE YOU
Erased me, replaced me YOU HAD THE WORLD FOOLED
But you can never forget with my one final breath
I will have my revenge MY SWEET REVENGE

(bridge)
And as you stand, on your promenade the dock begins to sink
I reach my hand, out to save you, as a fool begins to think
Should I save the one who killed me, when you wouldnâ€™t do the same?
With outstretched arms, ill grin and gaze as, the tide, erases your name

Today you showed me your colors, YOUR LIES, SAD BUT TRUE
You faced me, erased me, YOU HAD MY WORLD RULED
And when you find your regret, you can have my respect, faded time to reflect
Today you showed me your colors SO FAKE JUST LIKE YOU
Erased me, replaced me YOU HAD THE WORLD FOOLED
But you can never forget with my one final breath
I will have my revenge MY SWEET REVENGE

YOU BROUGHT THIS UPON YOURSELF!
YOU BROUGHT THIS UPON YOURSELF!
