

Gotten (feat. Adam Levine Of Maroon5) (Snippet)

Slash

So nice to see your face again
Tell me how long has it been
 Since you've been here
 (since you've been here)
You look so different than before
 But still the person I adore
 Frozen with fear
I'm out of love but I'll take it from the past
I'll let out words cause I'm sure It'll never lastAnd I've been saving
 These last words for one last miracle
 But now I'm not sure
 I can't save you if
 You don't let me
 You just get me like I never
 Been gotten beforeMaybe it's the bitter wind
 A chill from the Pacific rim
 That brought you this way
 (that brought you my way)
 Do not make me think of him
 The way he touch your fragile skin
 That hunts me everyday
I'm out of love but I can't forget the past
I'm out of words but I'm sure it'll never lastAnd I've been saving
 These last words for one last miracle
 But now I'm not sure
 I can't save you if
 You don't let me
 You just get me like I never
 Been gotten before
Like I never been gotten beforeSo nice to see you face again
 But tell me will this ever end?
Don't disappearAnd I've been saving
 These last words for one last miracle
 But now I'm not sure
 I can't save you if
 You don't let me
 You just get me like I never
 Been gotten before

Like I never been gotten before
