

Crazy But Not Insane

Warzone

I've always been crazy
So much trouble it's put me through
 Been busted for things
 I didn't do it
 I didn't do it
I can't say that I'm proud of all the things that I've done
But I know it's gonna get me - get me - get me in the long run
 In your mind, in your heart, in your spirit you will find
 In my mind, in my heart, in my spirit now I know
 I've always been different with one foot over the line
 Winding up somewhere with one step ahead or behind
 It hasn't been too easy but I guess I shouldn't complain
I've always been crazy but it's kept me from going insane
 I'm going insane (3x)
 Nobody knows if it's something to bless
 You're to blame
 So far, I ain't found the time, I just can't change
I think I'm going crazy, it's kept me from going insane
 Crazy but not insane (4x)
