Tuxedo Junction

Jools Holland

Feelin' low Rockin' slow I want to go Right back where I belong Way down south in Birmingham I mean south in Alabam' There's an old place where people go To dance the night away They all drive or walk for miles To get jive that southern style It's an old jive that makes you want To dance till break of day It's a junction where the town folks meet At each function in a tux they greet you Come on down, forget your care Come on down, you'll find me there So long town, I'm heading for Tuxedo Junction now
