Damaged

Shayne Ward

Remember those photographs we took on that boat in Spain
I took 'em down and ripped 'em up and threw them all away
Remember on the back of one you wrote we were meant to be
That doesn't really matter now 'cause you don't mean a thing to me
Baby, you should've told me
Told me from the start
I thought that I was your only
Till you put me on the shelf and found somebody else
I never thought that you would ever do that
Everything we had is gone
You said you love me, said you'll never leave
Maybe I just heard you wrong
'Cause I'm damaged, I'm damaged
Don't know what to do
Baby, I'm damaged, so, so damaged
Because of you
Got rid of those clothes you left
Like you got rid of my dreams
I don't wanna be reminded of
All of the memories
Ah yes, still have the tickets
I saved from our very first date
But it don't really matter now
'Cause you threw our love away
Baby, you should've told me
Because now I'm torn apart
I thought that I was your only
Till you put me on the shelf and found somebody else
I never thought that you would ever do that
Everything we had is gone
You said you love me, said you'll never leave
Maybe I just heard you wrong

'Cause I'm damaged, I'm damaged
Don't know what to do
Baby, I'm damaged, I'm so, so damaged
Because of you
It's almost like you would never hear
I almost feel like I don't care, girl

I've almost got here to forget pain
The only thing I've left to say
Is how could you leave me so damaged
Damaged, oh no no no no
I never thought, never thought that you'd do that
Everything is gone
You said you love me, you said you'll never leave
Maybe I just heard you wrong
I never thought that you would ever do that
Everything we had is gone
You said you love me, said you'll never leave
Maybe I just heard you wrong
'Cause I'm damaged, I'm damaged
Don't know what to do
Baby, I'm damaged, I'm so, so damaged
Because of you
Never, never thought that you would ever do that
Everything we had is gone
You said you love me, said you'll never leave
Maybe I just heard you wrong
'Cause I'm damaged, I'm damaged
Don't know what to do
Baby, I'm damaged, I'm so, so damaged
Because of you
