

Where No One Else Will Find It

Daniel Romano

Please put my heart
Where no one else will find it
I don't want it in my chest
And you don't want it in your handsAnd please sell my ring
To the pawnshop on the corner
Spend the money
On a love that you can standOr you could find a place
Where it never can be traced
It can't see the light or day
Or get in anybody's way
So please put my heart
Where no one else will find it
I got no use for it
Now that you're goneAnd please tell the sun
Not to shine over my shoulder
I don't wanna see the light
If it isn't in your eyes
And please tell the rain
It can pour on me forever
And cover up all the tears that I've cried
