

# Hard Drugs

Gregory Isaacs

Dem still want more  
Mmmmmm

De more dem get it  
Ah de more dem want it  
Lord knows  
Some will even try to take his fathers life yes  
Just to achieve a bit

Talking about hard drugs  
It's gonna let a lot of dem search the floor  
Talking about hard drugs  
De more dem get it  
Dem still want more

Now the pusher was away upon his ups and downs  
And men are like junkies all over town  
See the first man who settle down  
Surely gonna put him down

Talking about hard drugs  
It's gonna let a lot of dem search the floor  
More and more  
Talking about hard drugs  
De more dem get it  
Dem still want more  
Still want more  
Lord knows

De more dem get it  
Ah de more dem want it  
Talking about it  
Some will even try to take his fathers life yes  
Just to achieve a bit

Talking about hard drugs  
It's gonna let a lot of dem search the floor  
More and more  
Talking about hard drugs  
De more dem get it

Dem still want more

Now the pusher was away upon his ups and downs  
And men are like junkies all over town  
See the first man who settle down  
Surely gonna put him down

Talking about hard drugs  
It's gonna let a lot of dem search the floor  
More and more  
Talking about hard drugs  
De more dem get it  
Dem still want more  
Still want more  
Dem still want more  
Dem still want more  
They still want more  
Talking about it  
They still want more
