

Upon 9th And Fairchild

The Boo Radleys

I don't need you preachin'
Tellin' me points of law
I got my own problems
Trying to stay off the floor

As the vultures circle
And the bills and demands
Fill the floor
It's been 3 weeks and 3 days
Since I last stepped out my door

This is my life too
This is mine

Jesus, this room's so cold
But you've got your own problems
I can't see an end to it all
