Body Parts

Sodom

Business of false doctrine
Nothing is impossible
Wonders of technology
We got plastic surgeryOrgan trading is of use
Unavoidable the abuse
Need some lungs and need some hearts
Searching for new body partsBody partsBodies damaged after a crash
Transplanting skin to your flesh
That's no minor injury
This is plastic surgeryRich and infamous bastard
You got a chance to survive
Replacing your diseased parts
Recover and stay aliveBody partsLife is what you wanna buy
Unknown victims have to die
New organs is what you need
Nothing justified the deedBusiness of false doctrine
Everything is possible
Wonders of technology
Because we got plastic surgery
