Knowing

Truman Peyote

I didn't know what love meant before
I didn't know what you had waiting for me in store
I didn't know that I'd be finding out so much more
About the knowing and the knowing is all there is
About yes and yes, this is it
I didn't know
I didn't know what precious time would make
I didn't know how fragile a kiss could seem
I didn't know that finally all of dawn is trained
About the knowing and the knowing is all there is
About yes and yes, this is it
I didn't know
I didn't know I'd never look at life the same
I didn't know until I walked with you in the rain
I didn't know until I found out you felt the same
About the knowing and the knowing is all there is
About yes and yes, this is it
I didn't know
I didn't know until together we lay
I didn't know until you touched my soul that day
I didn't know that you would teach me in your own way
About the knowing and the knowing is all there is
About yes and yes, this is it
I didn't know, I didn't know, I didn't know
