

Jumpin' In the Morning

Ray Charles

Well, now baby
Tell me how do you do?
Ooh, now baby
Tell me how do you do?
Well, I wanna say baby
I really got news for you Well, now baby
Tell me what is your name?
Ooh, now baby
Tell me what is your name?
Well, I'm in love with you baby
Hope that you feel the same Well, now baby
I really want you by my side
Ooh, now baby
Swear I want you by my side
Well, you in love in the money
Keep your daddy satisfied Well, you're finally mine
You're really on the ball
Ooh, Lord by your by
You're really on the ball
Well, you know I start runnin'
Every time you've called Oh, Lord, babe
Rock, everybody rock, rock, rock
Everybody jump, jump, jump
Everybody, wail, wail, wail
Everybody jump, jump, jump
Everybody, well are ya anybody I said, wail, wail
(Wail, wail)
Oh, babe
(Oh, babe)
Oh, babe
(Oh, babe) Oh, babe
(Oh, babe)
Oh, babe
(Oh, babe) I believe in you when you say I do
Babe, talk about your baby
You ought to be mine Well, you can talk about your baby
But you ought to be mine
Well, she feels like an angel
And it ought to be an angel o' mine Well, in the mornin'

Early in the mornin'
Oh, Lord in the evenin'
Do it in the mornin'
Well, early in the mornin'
