

Yo George (Live in Florence 05/30/07)

[Tori Amos](#)

I salute to you, Commander, and I sneeze
'Cause I have now an allergy
To your policies it seems
Where have we gone wrong America?
Mister Lincoln, we can't seem to find you anywhere
Out of the millions
From the deserts
To the mountains
Over prairies
To the shores
Is this just the Madness of King George?
Yo George
Is this just the Madness of King George?
Yo George
Well, you have the whole nation on all fours
