Satellite

Tyrone Wells

Baby come over here,
I just gotta tell you somethin', somethin'
There's nothing left to fear,
There's nothing that can hurt you, nothin'
We can take on a bodies of angels,
Away from everyone,
Touch as we circle the world,
You and me, on the run
So put your hands up to the sky,
Yeah put 'em up,
Follow me, if you wanna fly,
I'll show you love,
Put your hands up to the sky, it's not a mile,
When we touch, we get so high
Like a satellite,
I don't wanna come down, I just want your love now,
Like a satellite,
I don't wanna come down,
I just want your love,
Baby hold on tight
Look at the stars above,
We're the only thing that's brighter, brighter,
Tonight you can feel the love,
The way I feel around you, lighter
We can take on the bodies of angels,
Away from everyone,
Touch as we circle the world,
You and me, on the run
So put your hands up to the sky,

Yeah put 'em up,
Follow me, if you wanna fly,
I'll show you love,
Put your hands up to the sky, it's not a mile,
When we touch, we get so high

Like a satellite,
I don't wanna come down, I just want your love now,
Like a satellite,

I don't wanna come down,
I just want your love,
Baby hold on tight
The way I feel around you, lighter
The way I feel around you,
Baby hold on tight
Baby hold on tight
Like a satellite,
I don't wanna come down,
I just want your love now,
Like a satellite,
I don't wanna come down,
I just want your love,
Baby hold on tight,
I don't wanna come down,
I just want your love now,
Satellite,
I don't wanna come down,
I just want your love
Baby hold on tight
