White Wizzard

Rock on
Live free or die
Rock on
Live free or diePatriots of freedoms fight
We the people shining the light
Illuminate our dreams in neon nightsFree to be who you want to be
From sea to shining sea
United in truth and destinyRock on and live to fly free
And you'll beFly high, high in the sky
Live free or die
Fly high, high in the sky
Live free or dieYeah, live free or die
Yeah, live free or die
Yeah, live free or die
Yeah, live free or dieFly the flag and fly it proud
Scream for freedom, shout it out loud
We are the keepers of the dreamLand of the brave, home of the free
The light of lady liberty
A beacon of hope and unityRock on and live to fly free
And you'll beFly high, high in the sky
Live free or die
Fly high, high in the sky
Live free or dieYeah, live free or die
