

# Devil In Me (Live At Zodiac Club, Oxford)

22-20s

Well I can't get the devil  
Outside of me, outside of me  
No I can't get the devil  
Outside of me, outside of me But I hate the world and everything I see  
Everything I see, everything I see  
And I'll never get the devil  
Outside of me, outside of me And I hate the world and everything I see  
Everything I see, everything I see  
I know the meaning of the word when it came to me  
When it came to me, when it came to me I don't live, I just breathe  
I don't give and I don't receive  
And I'll never get the devil  
Outside of me, outside of me I don't get all the good things  
You said I'd see, you said I'd see  
And I don't see the light  
Surrounding me, surrounding me But I see lovers walking free  
And I see red each tyrant say  
All the good things that'd come my way  
And I don't know you and you don't know me I know what I want, what I can be  
And I'll never get the devil  
Outside of me, outside of me  
Outside of me, outside of me  
Outside of me, outside of me  
Outside of me, outside of me  
Outside of me, outside of me
