Robyn

It's like you're waiting for me to start There's no right moment to break my heart Boy, you can tell me anytime you likeWe could talk any day of the week I cry myself to sleep in my pink silk sheets Boy, you can tell me anytime you like Boy, you can tell me anytime you likeUnder pressure alright Under pressure you and I Under pressure I was uptight Under pressure, yeahI keep quiet and hope you forget You know that kitchen table, let's buy it Boy, you can tell me anytime you like AnytimeIf I was brave I wouldn't keep my mouth shut I'm selfish, I don't wanna give you up Boy, you can tell me anytime you like Boy, you can tell me anytime you likeUnder pressure alright Under pressure you and I Under pressure love is uptight Under pressure, yeah Under pressure, yeahUnder pressure alright Under pressure you and I Under pressure this love is uptight Under pressure, yeahHey baby, how you doing? How was you day? What you do? I said I love you, yeahWhat you thinking about? What you thinking about? Tell me what's on your mind Won't you tell me what's on your mind? I love you so muchBoy, you can tell me Boy, you can tell me anytime you like
