Rain

Kiss

Tell me what you want me to be
I can't stand myself anymore
Tell me what you want me to see
I can't find my way off the floorTook me like a hurricane
I think it's gonna rain, yeah
I think it's gonna rain
Rain down on meTell me what you want me to hear
Whisper words inside of my head
Thunder like a gun in my ear
Clouds are burstin' over my bedWash me like a hurricane
I think it's gonna rain, yeah
I think it's gonna rain
I think it's gonna rain down down down
I think it's gonna rainOpen your eyes, you can't deny
It's just a fantasy, yeah
Some things will end, some will begin
Some things will never be, yeah
Rain down on meTell me what you want me to know
Tell me what you're dyin' to say
Throw your feelings up in the air
Let the pieces fall where they mayOpen your eyes, you can't deny
It's just a fantasy, yeah
Some things will end, some will begin
Some things will never be yeah, yeahI think it's gonna rain
I think it's gonna rain
I think it's gonna rain, yeah
I think it's gonna rainRain down on me
Rain down on me
Rain down on me
