

# Conflict

## Philip Anselmo & The Illegals

Conflict is inevitable like control and fear  
Conflict is integral say goodbye my dear  
Conflict is inevitable like control and death  
Conflict is integral this is the end I said

Conflict is inevitable see it in your mind  
Conflict is what makes us here it's so easy to find  
Conflict is inevitable attack inside your head  
Conflict is a part of us with us until we're dead  
Rob from always on the run dot net is so bad and copy paste is a sin  
Conflict is inevitable the crash and it all comes down  
Conflict is in everything in us and all round  
Conflict is inevitable a force inside your heart  
Conflict is integral let's prepare to part
