

S.O.S.

Good Charlotte

Is anybody listening?
Can they hear me when I call?
I'm shooting signals in the air
'Cause I need somebody's help
I can't make it on my own
So I'm giving up myself
Is anybody listening, listening? I've been stranded here, and I'm miles away
Making signals hoping they'd save me
I lock myself inside these walls
'Cause out there, I'm always wrong
I don't think I'm gonna make it So, while I'm sitting here
On the eve of my defeat
I write this letter
And hope it saves me Is anybody listening?
Can they hear me when I call?
Shooting signals in the air
'Cause I need somebody's help
I can't make it on my own
So I'm giving up myself
Is anybody listening, listening? I'm stuck in my own head and I'm oceans away
Would anybody notice if I chose to stay?
I'll send an S.O.S. tonight
And wonder if I will survive
How in the hell did I get so far away this time? So now I'm sitting here
The time of my departure's near
I say a prayer
"Please someone save me" Is anybody listening?
Can they hear me when I call?
Shooting signals in the air
'Cause I need somebody's help
I can't make it on my own
So I'm giving up myself
Is anybody listening, listening? I'm lost here, I can't make it on my own
I don't wanna die alone, I'm so scared
Drowning now, reaching out
Holding on to everything I love
Crying out, dying now
Need some help Is anybody listening?
Can they hear me when I call?

Shooting signals in the air
I need somebody's help
I can't make it on my own
I'm giving up myself
Is anybody listening?
