Holly

Republica

Marilyn baby, wants to be a pop star
She's seventeen and very unhappy
Frankie baby, used to be a big fish
He's ethnic boy and ain't got no moneyAnd Holly wouldn't be so precious
If the beach bum beauties
Weren't so delicious in HollywoodWho cares anyway?
Who really cares anyway?
Who cares anyway?
Who really cares anyway?Frankie baby, sees punks on the sidewalk
Freaks on the freeway
Someone blows a kid away
Have a nice daySweet, sweet Marilyn
A streetwise heroine
A tricks, a fix, a fix, a tricks, a fix, a fix
She'll do anythingAnd Holly wouldn't be so tragic
When everybody trips the light fantastic
In HollywoodWho cares anyway?
Who really cares anyway?
Who cares anyway?
Who really cares anyway?
In the Hollywood bowl of serial killersWho cares anyway?
Holly don't give a damn
Holly don't give a damnWho cares anyway?
Who really cares anyway?
Who cares anyway?
Who really cares anyway?
In the Hollywood bowl of serial killers
