

# No One to Depend On

[Santana](#)

No One To Depend On  
Ain't got nobody that I can depend on  
Ain't got nobody that I can depend on  
Ain't got no one tengo anadie  
That I know of no tengo anadie  
That I can depend on no tengo anadie  
Ain't got no one  
Got nobody  
That I can depend on no tengo anadie  
Ain't got nobody that I can depend on  
No tengo anadie.  
No One To Depend On
