Hey Henry!

Etta James

You couldn't dance at all
But now you're over ball
The way Texas hop
The way you jump and rock
(Talk to me, baby)You're doin' fine, Henry
The way you jump and rock
(Alright)
You're doin' fine, Henry
The way you do the bop
But how am I doin' now?
And everything is alrightBut when we do the boogie woogie
Shake it all night long
When we do the boogie woogie
Shake it all night long
Shake it, shake it, Henry
Till the band goes homeHenry, oh, Henry
Love the way you jump and rock
(Alright)
Henry, oh Henry
Love the way you Texas hop
But how am I doin' now?
And everything is alrightWell, well, well, well, baby
The dance you're doin' is movin' me
Well, let's dance and rock till the rooster crows
And we'll rest a while, dance some moreYou're doin' fine, Henry
The way you jump and rock
You're doin' fine, Henry
The way you do the bop
But how am I doin' now?
And everything is alrightWell, well, well, well, baby
The dance you're doin' is movin' me
Let's dance and rock till the rooster crows
And we'll rest a while, dance some moreYou're doin' fine, Henry
The way you jump and rock
(Alright, baby)
You're doin' fine, Henry
The way you do the bop
(Okay)But how am I doin' now? Alright
How am I doin' now? Alright

How am I doin' now?
Everything is alright
