

Nature

Fuel Fandango

and nothing, is gonna get your down
and nothing, is gonna get your down
and nothing, is gonna get your down
and nothing, is gonna get your down i've lost my nature
and i don't know where it's gone
no trees around me
and i don't know where to go i'm waiting to find it
in everything i do
i'm waiting to touch it
in everywhere i go
and nothing, is gonna get you down
entre montañas, la lluvia y el sol
yo voy buscando tu calor
yo voy buscando tu risa, la brisa del mar
entre montañas la lluvia y el sol and nothing, is gonna get you down
