

Wrapped Around Your Finger

The Police

You consider me the young apprentice
Caught between the Scylla and Charibdes
Hypnotized by you if I should linger
Staring at the ring around your finger. I have only come here seeking knowledge,
Things they would not teach me of in college.
I can see the destiny you sold turned into a shining band of gold. I'll be wrapped around your finger.
I'll be wrapped around your finger
Mephistopheles is not your name
I know what you're up to just the same
I will listen hard to your tuition,
You will see it come to its fruition.
I'll be wrapped around your finger.
I'll be wrapped around your finger Devil and the deep blue sea behind me,
Vanish in the air you'll never find me.
I will turn your face to alabaster,
When you'll find your servant is your master. You'll be wrapped around my finger
You'll be wrapped around my finger
You'll be wrapped around my finger
