(verse 1)

Flow sick I need a mothafuckin' ambulance  
Big knot so my jeans look like hammer pants  
Flow sick I need a mothafuckin ambulance (2x)  
Big knot so my jeans look like hammer pants  
Get on the floor lil mama I'ma make ya dance  
Hands on ya ankles, 3 point stance  
6 inch heels, are those Balenciaga?  
Gimme that poker face, ha lady gaga  
I'm like Sesame Street gotta eat cookie monster  
Girl I can put it on ya, eat it la la la bamba  
Nah let me chill low, just like my chain is  
150 stacks now my jeweler famous  
Don't I make it look easy?  
Coolest nigga in this spot that's why they call me breezy  
(Chorus)  
Make ya hands touch ya ankles hands touch ya ankles till song fades
