

John Gotti

U.S. Bombs

Bring in the mob!
John Gotti John Gotti
Bring in the mob!
John Gotti John Gotti We need a mob boss to run the states
We need a leader who kills police
Vote no no no no
On Democrats
Vote no no no no
On Elephants
Resurrect the dead John Gotti John Gotti
Bring in the mob!
John Gotti John Gotti Dig up the Don and get his DNA
A clone of teflon to clean the slate
Vote no no no no
On politicians
Vote no no no no
On Free Masons Bring in the mob!
Bring them in! John Gotti John Gotti
Bring in the mob!
John Gotti John Gotti
