

No Greater Love

Jars Of Clay

Is life in vain?
Are we ghosts rattling chains?
When we get what we want
Are the problems still the same?
'Cause my hands can't heal
While I'm holding on so tight
And my heart won't care enough
To pick a better fight
Show me the beauty of life
Show me the beauty of life
Show me the beauty of life
No greater love, no greater love
And you say there's no greater love
Is it still my turn?
I think I'm the last one left to learn
That the life I lose
Is the least of my concerns
Show me the beauty of life
Show me the beauty of life
Show me the beauty of life
No greater love, no greater love
And you say there's no greater love
No greater love, no greater love
And you say there's no greater love
So show me the beauty of life
Show me the beauty of life
Show me the beauty of life laid down
Show me the beauty of life laid down
Laid down
Show me the beauty of life
No greater love, no greater love
And you say there's no greater love
No greater love, no greater love
And you say there's no greater love
So show me the beauty of life
Show me the beauty of life
Show me the beauty of life laid down
