

# I Just Wanna...

## Elijah Blake

Advisory - the following lyrics contain explicit language:

Girl you single tonight  
With some shit you ain't like  
'Bout that nigga that was lovin' on you just the other night  
You've been workin' all week  
Know it's hard on your feet  
Let me take some of that stress up off you, come lay with me  
You know wassup  
Pour another cup  
Let that liquor hold your sentence, why you gotta talk so much?  
Not tryna fuss  
But I'm in a rush  
See you movin' them lips but not on this so you ain't saying much  
Tried to be polite  
But you ain't acting right  
Sit yo pretty ass on this bed  
Make a v-shape with your legs  
That's it  
That's it  
I just wanna get fucked up  
With you, with you, (oh yeah), with you  
I just wanna get fucked up  
With you, with you, (oh yeah), I do  
I just wanna get fucked up  
Already, already, already know  
I just wanna get fucked up  
Already, already, already know  
I just wanna get fucked up  
I admit it, I admit it  
When I said I came to kick it  
Girl I was lyin' (lyin')  
I got so damn carried away  
There's nothin' left that I can say  
I want you now, I need you now  
I gotta hit that shit somehow, somehow  
I gotta hit that shit somehow, right now  
I just wanna get fucked up  
With you, with you, (oh yeah), with you

I just wanna get fucked up  
With you, with you, (oh yeah), I do  
I just wanna get fucked up  
Already, already, already know  
I just wanna get fucked up  
Already, already, already know  
I just wanna get fucked up  
Girl you single tonight  
With some shit you ain't like  
'Bout that nigga that was lovin' on you just the other night  
You've been workin' all week  
Know it's hard on your feet  
Let me take some of that stress up off you, come lay with me  
Girl you single tonight  
With some shit you ain't like  
Bout that nigga that was lovin' on you just the other night  
You've been workin' all week  
Know it's hard on your feet  
Let me take some of that stress up off you, come lay with me  
I just wanna get fucked up  
(oh yeah)  
I just wanna get fucked up  
With you, with you, (oh yeah), with you  
I just wanna get fucked up  
With you, with you, I do  
I just wanna get fucked up  
Oh yeah, I just wanna get fucked up
