

# Man Called Aerodynamics

## Guided By Voices

Find deep within the old memory coat  
A cricket bag you ate from  
It's sweet smiling apology Acceptance awaits you  
Don't be afraid to cherish it Look it up in the bookmobile  
Look it up in the gun rack  
In the magazine rack and the map For it is only after the fence comes down  
That the cartoon bubble explodes  
And the new party begins  
Invitation only in stealing a senator's suitcase  
Let them out and dance for the ant-god
