Intermission

Ultramagnetic MC's

[Kool Keith]Ahhh... it's time to relax
For all the people out there, it's time to take a break
A little intermission
Go urinate, get a little popcorn, stuff like that[Ced Gee]Ahh yeah, or get that quart of Old Gold
Or a banana[Kool Keith]If you wanna jerk off or two
Anything you know[Ced Gee]Or a cup of coffee
Whatever turns you on, take that break
Yeahhh...
And right about now[Kool Keith]We're going back to the funk!
