

# Walk On The Ocean

## Toad The Wet Sprocket

We spotted the ocean at the head of the trail  
Where are we going, so far away  
And somebody told me that this is the place  
Where everything's better, everything's safe Walk on the ocean  
Step on the stones  
Flesh becomes water  
Wood becomes bone And half an hour later we packed up our things  
We said we'd send letters and all those little things  
And they knew we were lying but they smiled just the same  
It seemed they'd already forgotten we'd came Now we're back at the homestead  
Where the air makes you choke  
And people don't know you  
And trust is a joke
