

I'm a Loner Dottie, a Rebel...

The Get Up Kids

Come tomorrow I'll be on my way back home
In the morning call from a roadside telephone
One night doesn't mean the rest of my life
If I go it's not impossible but possible is probably wrong
So, let go because I'm afraid to try
I'll keep my hands by my side
I won't come back
I hope some day you'll understand I want to try
And make it right but don't know if I can
Last night everything was right and the rain was gone
One summer night's the only time we've known
So, shut your eyes and when you wake, I'll be gone
