## Teenage Fanclub

If I could ask you how you feel  
Would you reply or produce a shield?  
Such a long time, been drinking this wine  
That I don't know And all my friends keep telling me  
That you can't drink or get drunk for free  
So I'll admit while I'm still fit  
Of my love That wine was the best girl I ever had  
That wine was the best girl I never had I can't deny the feeling  
Fizzin' inside my head  
All my senses wash away  
These booze that I've been fed And if I could ask you how you feel  
Would you reply or produce a shield?  
Out on the street, dead on my feet  
Oh, my love That wine was the best girl I ever had  
That wine was the best girl I never had
