

# So Begins the Task (Remixed) [Demo Version]

Stephen Stills

And so begins the task  
I have dreaded the coming of  
For so long  
I wait for the sun  
To remind my body  
It needs restin'  
And I must learn to without you now  
I must learn to give only part some how  
Camping on the edge  
Of your city I wait  
Hoping someday  
You might  
See  
Beyond yourself  
The shadows on the ceiling  
Hard  
But not real  
Like the bars that cage  
You within yourself  
And I must learn to without you now  
I must learn to give only part some how  
And I must learn to without you now  
As I cannot learn to give only part some how  
All of these cages  
Must  
And shall be set aside  
They will only  
Keep  
Us from the knowing  
Actors  
And stages  
Now fall before the truth  
As th love  
Shared  
Between us  
Remains  
Growing  
And I must learn to without you now

As I cannot learn to give only part some how
