

Fire Never Sleeps

Audio Adrenaline

I, I feel the heat is risin
The flames of my horizon are at my door
I, Im staring at the ruins
The embers of the brokenness are scattered on the floor
His fire never sleeps, His fire never sleeps
And I, I see that hope is comin
So pull me from the ashes, ignite my soul
It pleads, Burn away the darkness
His love is like a furnace where the fire never sleeps

CHORUS:
Burn, oh my soul
(Set me on fire)
Burn, oh my soul
(Light up a fire)
Burn, oh my soul
Stop, I never wanna miss You
Something new is being born
And we were born for this
Lord, we know our day is comin
When we look into Your eyes and see a fire that never sleeps
The fire never sleeps, fire never sleeps

CHORUS
Your fire never sleeps
Oh, Your fire never sleeps

BRIDGE:
Purify my heart
Purify my heart
Spirit, fall on us
Spirit, fall on us

CHORUS x2
His fire never sleeps
(Fire)
Fire never sleeps
(Fire)
Your fire never sleeps
(Fire)
Your fire never sleeps
