Makes Me Wonder

Kenny Chesney

Stepped off the airplane, I saw your face
It's been forever, but it don't feel that way
Your hand took my hand like it knew what to do
Girl it's so easy to be with you

[Chorus]
Makes me wonder
Makes me wonder
Makes me wonder
Why we're not in love

Caught up over coffee, then walked around town
Some sidewalk singer was laying it down
You started dancin' right there on the curb,
Thought to myself man there's somethin' 'bout her

[Chorus]

Well I been thinkin' 'bout her
Still can't tell ya why
All I know is that it's hard to say goodbye

I got on that airplane, you got in your car
Looked out on that city wondering where you are
And if you're feeling like me just a little bit sad
I already miss you, now what's up with that

[Chorus]

Makes me wonder
Makes me wonder
Makes me wonder
Makes me wonder
Makes me wonder
Why we're not in love
