## **U-Turn** (Lili)

## **AaRON**

Lili, take another walk out of your fake world Please put all the drugs out of your hand You'll see that you can breath without no back up So much stuff you got to understandFor every step in any walk Any town of any thought I'll be your guideFor every street of any scene Any place you've never been I'll be your guideLili, you know there's still a place for people like us The same blood runs in every hand You see it's not the wings that make the angel Just have to move the bats out of your headFor every step in any walk Any town of any thought I'll be your guideFor every street of any scene Any place you've never been I'll be your guideLili, easy as a kiss we'll find an answer Put all your fears back in the shade Don't become a ghost without no colour 'Cause you're the best paint life ever madeFor every step in any walk Any town of any thought I'll be your guideFor every street of any scene Any place you've never been I'll be your guide
