Now More Than Ever

Brandon Heath

Dig my hands into the earth
Sometimes I need You so bad, it hurts
I want You now more than everI've been living in a foreign land
Confession of a broken man
I want You now more than everThe more I see, the more I want
The more I know, it doesn't stop
Your beauty speaks to call me home
Now more than everThe more I feel that You are here
The more the world disappears
And all I want is to be home
Now more than everSo tell me something that I haven't heard
I'll be hanging on every word
I want You now more than everHow long must You make me wait?
Give me hope, give me strength
I want You now more than everI will keep my eyes open
Keep my eyes open, face to the sky
I will keep my eyes open
Keep my eyes open for You
