

The Day the Rains Came

Merle Haggard

Your strange love was what I found, the day the rains came down
And I remember we found shelter in the cave
With the rain clouds up above, in the darkness we found love
The day the rains came I became your slave As the rains made rivers swell, I fell deeper in your spell
You took my hand and handed me a crown
But if I could just live on with these things I have known
(The rains came, the rains came)
I know that I'd be glad of what I've found
(The rains came down) As the rains made rivers swell, I fell deeper in your spell
You took my hand and handed me a crown
But if I could just live on with these things I have known
(The rains came, the rains came)
I know that I'd be glad of what I've found
(The rains came down) Your strange love was what I found
(The rains came)
The day the rains came down
