

The Hideous Exhibitions of a Dedicated Gore Whore

Rob Zombie

She got Vincent Price tattooed on her thigh
Below a devil bat with a crazy eye
She got "fuck you" scratched in her head
A three-legged freak strapped to the bed Feed it baby, eat the world
Feed it baby, eat the world That girl is a gore whore
She grabs for an axe and comes through the door
That girl is a gore whore
So much blood everywhere and all she wants is power She got Wolfman tattooed on her fist
"I love the dead" around her wrist
She got Karloff across her back
A life in neon, a life in black Feed it baby, eat the world
Feed it baby, eat the world That girl is a gore whore
She grabs for an axe and comes through the door
That girl is a gore whore
So much blood everywhere and all she wants is power She got Dracula tattooed on her neck
Sunlight always makes her sick
She going to the picture show
Let's motherfucking rock and roll That girl is a gore whore
She grabs for an axe and comes through the door
That girl is a gore whore
So much blood everywhere and all she wants is power
