Open Eyes

Plankeye

A man walks down the street
And we close our eyes
Because he is filthy and homeless
So we don't even look twiceUnder his arms there's a Bible
And a look of peace in his eyes
This man also loves Jesus
So we can open up our eyes, yeahLove your brother
Any form, shape and size
Because no one looks perfect
Except in Jesus' eyesTake time to know your brothers
See the difference in their lives
Take time to know your brothers
And open up their eyesA boy sleeps under a bridge
Mad from the world's lies
He sees you preaching to a crowd
And comes to seek Jesus ChristAnd when you tell him about the Lord
You'll see the fear in his eyes
Jesus' tugging at his heart
The Lord opened up his eyesLove your brother
Any form, shape and size
Because no one looks perfect
Except in Jesus' eyesTake time to know your brothers
See the difference in their lives
Take time to know your brothers
And open up their eyesWe go through this life with our eyes closed
And we turn off the people who need us most
We gotta make time to know one another
We've gotta take time to love all our brothers, oh
Yeah
